Prophecy by Pastor Jack Myers

Don't be downtrodden, be uplifted, lift up your head because your redemption draws nigh. He has the answer to every problem, to every situation. So, trust and obey even if you don't understand it, trust and obey. Be a doer of the Word not just a hearer only. As you do the Word, You will see a breakthrough. He shall see you through to the other side. Be faithful even in the little things and He will make you ruler over much things.

He's looking for faithfulness, He's looking for doers. He's looking for those who will do exploits in His name.

Faithful in your finances, faithful to pay your bills, faithful to give of your tithes and offerings, faithful to give to others that have lack, faithful in your job, faithful in your marriage, faithful in your business, "faithful"!

He's looking, for His eyes go to and fro throughout the whole earth, looking for those to whom He can show Himself strong on your behalf. You shall see the breakthrough and you shall see the victory! For the victory has been bought by The Blood of Jesus that precious flood, that crimson flood that flowed from Emanuel's veins. Your Savior, Your Lord, and Your Healer, Your Deliverer Your Way-Maker.

So do not be discouraged or downtrodden lift your head up high, for your redemption draws nigh says the Spirit of God. Don't look at what you don't have it will bring discouragement. But look at what you do have for you have been blessed, with the highest blessing and you're loved with the highest love.

You know that My love will carry you through any, and all circumstances, and you have the victory for which it was purchased, it was purchased, you were purchased, you were purchased, you were purchased by the Blood, the Blood of Jesus My son. So, you can rest in knowing that God has your life in His hands.

He will guide you and He will strengthen you and show you things to come. Don't look at the opposition, don't look at the difficulty. For did He not say, You, can do all things. He did say you can do all things. Did He not say nothing is impossible if you only "believe?" You have to understand it's the application of the Word in your life that brings forth the victory, not just hearing it.

If all you ever do is hear only, it's like a man that looks at himself in the mirror walks away and forgets immediately what he looks like. So, it is everyone that does not apply the Word and walk in the Word. Some of you are looking for things to satisfy, nothing can satisfy, if you have God, you have everything. He's the principle, He's a principal God says the Spirit, follow the principles, follow the Book, follow the plan and you will not fail says the Spirit of God. You will succeed in every area of your life.

Don't always blame the devil for things that you have done, for the things you have gotten yourself into, for things that you have made plans for and didn't even consult the Lord.

But His Spirit says, consult the Lord in everything that you do and every decision that you make pray "much" in the Spirit, and you shall come through that place of victory that place of breakthrough. For it is praying in the Spirit, praying in the supernatural that prays out My plan says the Spirit of God, when you pray in the Spirit, you are praying out your future. So, don't neglect praying in the Holy Ghost on a daily basis, and don't neglect the reading of My Word, for My Word is My voice for My Word is My plan.

Follow after all of these but especially follow after love, and joy and peace and patience and kindness, and goodness and faithfulness and gentleness and self-control.

I put those things on the inside of you, do not say that you can't, you can do all things for you have been bought with a price. For My grace and My mercy is not only for you but it abides in you, because I am Grace and Mercy says the Spirit of God.

“STOP” looking for other things outside of Me to satisfy, because these things come and go but I’m for eternity. It’s not in the material things its’ in the spiritual things, and when you follow after the spiritual things the material things will come. It will be an automatic says The Spirit of God and don’t be ruled by fear, for I have not given you a spirit of fear but of Love, power and a sound mind.

The enemy wants to control your mind and your thoughts. Remember what I said in My Word, every thought that exalts itself against the throne of God, you cast it down. If the thoughts come that your gonna fail, you’re not going to make it, it’s a lie from the enemy and he wouldn’t be telling you those things if I, the one who created you, if I the one who made you, I the one whose taking you, I the one whose holding you in my right hand. Do you not know I will not let go. I will not leave you nor forsake you, I will never relax my hold on you says the Spirit of God. But I will carry you through to the other side.

So hold onto these truths even throughout the week not just on the day you come and worship Me says The Spirit of God. But throughout the week hold these things close to your heart. Consult Me with everything, with every decision, consult Me says the Spirit of God in every decision that you make because, its coming to the point says the Spirit of God in My timeline that you will have to know. “I will show you which way to go. You’ll have to see, for I will show you things you cannot see, it’s imperative, your life’s course depends on it says the Spirit of God. But don’t be concerned if your heart is right toward Me you won’t miss it.

The very fact that your heart is right toward me that you don’t want to miss it, you won’t miss it and that’s a good place to be says The Spirit of the living God. And I will show you things to come and you’ll be blessed because of it and I will restore to you back seven-fold, things have been stolen in the past. For you are now entering into a tremendous harvest season says the Spirit of God of the wealth of the wicked being loosed unto to My church, the righteous, just like it was when my Israelites came out of Egypt and plundered the Egyptians nothing lacking, nothing broken preserved from destruction. But it’s not going to come automatic says the Spirit of God for it will come to those that will apply My Word.

I am a principal Lord, I’m a principal Father. You must apply the principals, for preachers in the past have preached it’s automatic, that you don’t have to do anything, that it would just fall on you but that’s not how I work. There’s seed, time, and harvest and before the harvest there had to be seed and time but that meant you had to do something says the Spirit of God. You had to put into practice what you learned and many of you learned you have been in the way a very long time. Not in “the way” but in the way, the truth, and the life a very long time.

So, you will be accountable for what you know, and I will not hold it against you for which you don’t know. It’s “very imperative” says the Spirit of God that you listen to the voice, the voice of the Father. For I will not speak of My own, but I will speak of whatever I hear. “I hear Him say to you because I am with you. For the father is in heaven upon His throne and His Son is at the right hand but He sent Me the Spirit of God, to not only to be with you but be on the inside of you, So, it is “imperative” that you hear clearly what that means, you have to consult me and don’t push away the promptings of My Spirit, the promptings of My voice.

Don’t override your conscious for your conscious and I are connected together, says the Spirit of the living God, and don’t push those things, and yes even in the days to come you will hear My voice which is the voice of the Father very clearly, clearer and clearer. And just always go by peace and joy you won’t miss Me if you go by peace and joy, says the Spirit.

And anything and everything that is holding you and that is binding you, break it, those chains are broken, lack is broken, poverty is broken, addiction is broken. Depression, oppression, loneliness is broken, says the Spirit of the living God.

So, be of good cheer be of good courage for Jesus the son of God paid the price, walk ye in it. Apply it to your life, and the outcome will be marvelous it will be over the top, you’ll have to pinch yourself and go my God, my God, my God has made me wealthy, my God has brought me through. My God

has healed my body, my God has restored relationships. My God has done it and you can honestly say that man has not made you wealthy or rich but, God has, for it is now that time of season of coming out of the land of Egypt and going into the promised land. "And, I will crush the enemy says the Spirit of God under My feet, for the enemy is My foot stool, and you are seated with Me in that place of authority with My son says the Spirit of the living God.

So rejoice in all circumstances, rejoice when you're going through the trials and tribulations, and rejoice when you have the-victory, that is a key to victory in every area rejoicing in the time of time of trial and tribulations but also rejoicing when the victory comes just stay steady as she goes. But be very, very careful of what comes out of your mouth in circumstances and situations because it's being created, your words are very powerful, for I have placed My anointing upon them. "Speak those things that be not as they were and you shall have them because they will be made manifested says the Spirit of God. 'Speak it into being, speak what you want to see, and it shall come to pass, says the Spirit of the living God, and it won't be a long time it will be a short time, and you shall see it.

It will come to a point in time when you will think it and I will provide it, says the Spirit of God. So, rejoice always and again I say rejoice for your victory and the conquer of the enemy is now, says the Spirit of God.
