

## **Pastor Jack Myers Prophecy – PM Service 07.21.2024**

Thank You for the Gift of Faith, Father! Thank You for the Working of Miracles!  
Thank You for the Gifts of Healing! Thank You for the Miraculous! Thank You for Your Word!  
Thank You for Your Angels! Thank You for the Mighty Holy Ghost! Thank You – A Million Thanks!

We enter Your courts and enter Your gates with Thanksgiving and Praise.

Oh, Hallelujah – WE WANT MORE! We hunger for the Latter Rain being poured out on us.

I see on the horizon a storm coming. But it is not a storm of destruction.

It's a storm of Glory! It's a storm of maintaining the Victory. It's a storm of Prosperity,  
It's a storm of Healing, A storm of Miracles, Signs, and Wonders confirming the Word of God!

I see the clouds gathering. It's starting to Rain. The Former and the Latter Rain.  
The Former and the Latter Rain is being poured out on His Sons and Daughters.

It's beginning to rain! I feel the rain.

The rain of Your Spirit and the harvest of Souls coming in.  
We are throwing the nets out and we are catching the fish.

And, the abiding presence of our Father is in your homes, in your cars, in your neighborhood,  
in your Churches, in your synagogues, the abiding presence of the Lord!

He's pouring it out!  
He's pouring it out!

In the next 120 days, Thy Glory shall increase, not only in this place but in the earth.  
It will be so easy. No more struggling, no more fighting, it will be so easy!

“My yoke is easy, and My burden is light,” says the Spirit of God.

It is the land of milk and honey. Totally provided for! Every need, want and desire, every bill, totally paid!

Yeah, on these sons and daughters, I'm pouring it out. Just let it Rain!

Just drink, just drink – Nobody is going to hinder you, just drink!

Just drink in His Love. Drink in His Presence. Drink in the rain, the refreshing rain, just drink,  
just drink it in! Oh, your 55-gallon drum is overflowing. Just drink, be refreshed, be refreshed.

It's the refreshing Outpouring Rain.

Don't hold back. We want to see You!

Miracles, Signs, Wonders, the Word, Power, HOLY GHOST POWER!

The blind are seeing, the deaf are hearing, the lame are walking. Creative Miracles!

Somebody shout, GLORY! I FEEL IT, I FEEL IT, I FEEL IT! Somebody shout, HALLELUJAH!
